

CONSTRUCTION PROJECT FACT SHEET

FLORIDA DEPARTMENT OF TRANSPORTATION

State Road (SR) 90/US 41/SW 8 Street from SW 65 Avenue to SW 29 Avenue Roadway Project

Project Identification Numbers: 443919-2-52-01, 443918-3-52-01, 443917-2-52-01

FDOT COMPASS

FDOT is committed to ensuring the State's infrastructure serves residents, businesses, and visitors to meet their current and future transportation needs. Benefits of this project include:

COMMUNITIES

- Improving connectivity and enhancing accessibility for residents and visitors by:
 - Adding six signalized mid-block pedestrian crossings along SW 8 Street from SW 65 Avenue to SW 29 Avenue to improve walkability and pedestrian safety in the area
 - Upgrading pedestrian ramps, sidewalks and detectable warning surfaces

SAFETY

- Improving pedestrian safety along SW 8 Street by installing the following:
 - Pedestrian ramps, detectable warning surfaces and safety guiderails
 - Signage, high-emphasis crosswalks, pedestrian detectors and pushbuttons

RESILIENCY

- Providing a more resilient infrastructure along SW 8 Street by improving the following:
 - Repaving and restriping the roadway to preserve the service life of the road
 - Reconstructing sidewalks at various locations

SUPPLY CHAIN

- Roadway safety improvements enhance supply chain efficiency by connecting communities and promoting sustainability in the transportation of goods

TECHNOLOGY

- Providing technology that enhances safety and convenience for residents and visitors, including:
 - Installing pedestrian detectors and pushbuttons
 - Upgrading existing light poles with light-emitting diodes (LED) at various locations

WORKFORCE DEVELOPMENT

- This project creates opportunities for contractors resulting in positive economic benefits for workers and the community

ALWAYS PUT SAFETY FIRST

For your safety and the safety of others, please use caution when driving, walking or biking around any construction zone. For real-time traffic information, visit: www.fl511.com.

WHAT TO EXPECT

Work will be done in phases to reduce the effects to the community. Temporary lane closures may affect traffic during non-peak hours. All detours will be established with clear signage. Access to adjacent properties will be maintained.

SCHEDULE

August 2024 - spring 2025

PROJECT COST

\$2.8 Million

PROJECT AREAS

City of Miami
City of West Miami
City of Coral Gables
Miami-Dade County

Note: Dates are subject to change.

LANE CLOSURE INFORMATION

Work will be done in phases to reduce the effects of construction on the community. Lanes can be closed during the following hours:

- 9:30 p.m. to 5:30 a.m., Sunday - Thursday
- 11 p.m. to 7 a.m., Friday and Saturday

Access to businesses and residences will be maintained. Lane closure information will be posted weekly on the department's website, www.southflroads.com.
