## Full Closure of the NW 114 Street and Frontage Road Intersection

*January 22 through January 31, 2023*

**MIAMI, Fla.** – The intersection of NW 114 Street and Frontage Road will be closed from 9 p.m. on Sunday, January 22, to 5 a.m. on Tuesday, January 31, 2023. This closure will allow the contractor to widen the intersection, install drainage pipes, curb and gutter and repave and restripe the road. Motorists wishing to access NW 114 Street will be detoured through NW 92 Avenue. Please use caution and follow the posted detour signage.

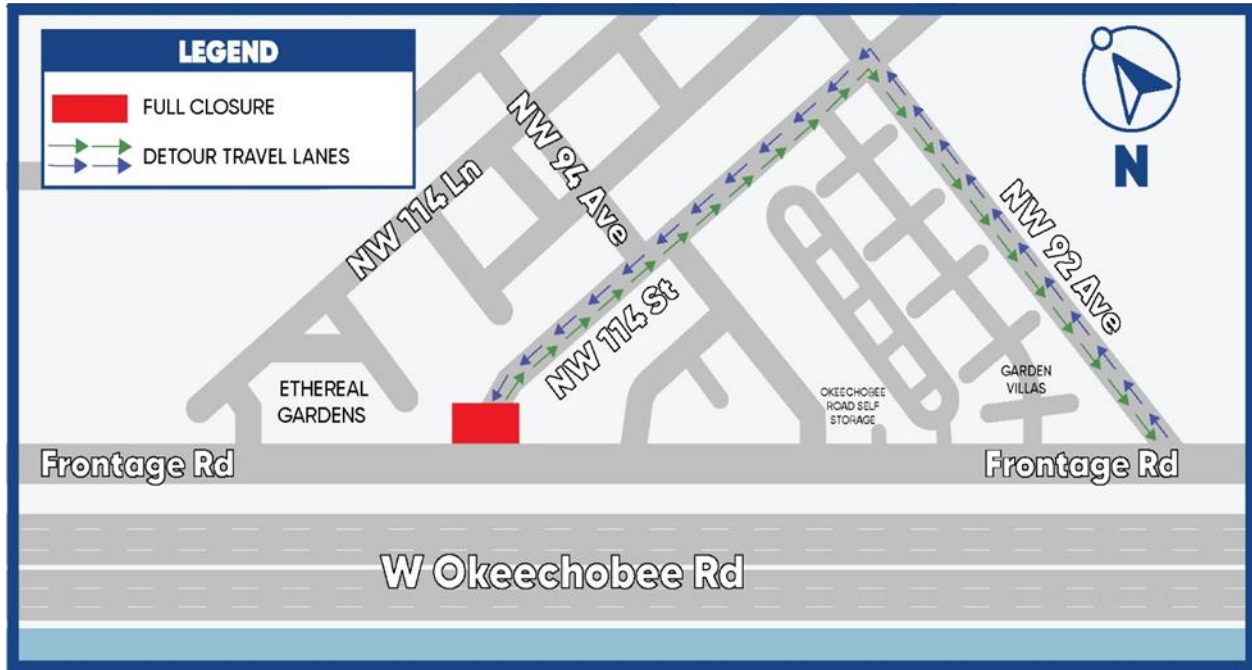

**Please note that this schedule may change due to bad weather or other unforeseen conditions.**

This project is part of the corridor-wide reconstruction of the SR 25/US 27/Okeechobee Road from the Broward County Line to SR 826/Palmetto Expressway. This work will improve safety, enhance mobility along this Strategic Intermodal Systems (SIS) corridor, and inspire innovative transportation solutions, connecting commuters throughout Miami-Dade County.

For additional information, please call FDOT's Public Information Office at (305) 470-5349 or contact the Senior Community Outreach Specialist Maria Alzate at (305) 560-8218 or by email at [Maria@iscprgroup.com](mailto:Maria@iscprgroup.com). You can also visit the project website: [www.fdotmiamidade.com/okeechobee](http://www.fdotmiamidade.com/okeechobee).

Drivers are encouraged to log on to [www.fl511.com](http://www.fl511.com) before they travel to get real-time traffic and lane closure information. The Florida Department of Transportation reminds motorists to always drive safely and avoid distractions while driving. Remember to put down cell phones. Florida law restricts motorists from using a wireless device in a school zone or an active construction zone.

*The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities*
