SR 913/Rickenbacker Causeway Flyover Bridge Ramp Closures Begin Monday, July 8

MIAMI, Fla. – As part of the necessary ongoing rehabilitation work, contractors for the Florida Department of Transportation (FDOT) will close the westbound ramp of State Road (SR) 913/Rickenbacker Causeway Flyover Bridge starting Monday, July 8 through Saturday, August 3.

This work will occur in two stages as follows:

Monday, July 8 at 1 a.m. through Saturday, July 20 at 6 a.m.:

The ramp from westbound Rickenbacker Causeway to **southbound** SR 5/US 1 will be closed from Monday, July 8 through Saturday, July 20. During this closure, the ramp from westbound Rickenbacker Causeway to northbound SR 9A/I-95 will remain open.

To view the detour map, please [click here](#).

Sunday, July 21 at 10 p.m. through Saturday, August 3 at 6 a.m.:

The ramp from westbound Rickenbacker Causeway to **northbound** SR 9A/I-95 will be closed from Sunday, July 21 through Saturday, August 3. During this closure, the ramp from westbound Rickenbacker Causeway to southbound SR 5/US 1 will remain open.

To view the detour map, please [click here](#).

Please expect heavy traffic and delays along the Rickenbacker Causeway and surrounding areas during these closures. Detours will be clearly marked. Please follow all posted signage and note that this schedule may change due to weather or other unexpected conditions.

For more information, please contact FDOT's Communications Office at (305) 470-5349 or Construction Community Outreach Specialist Jeff Baquedano at (786) 510-6113 or at Jeff.Baquedano@dot.state.fl.us or visit our website at www.southflroads.com.

For real-time traffic and lane closure information, drivers are encouraged to visit www.fl511.com.

Remember, wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Always be safe and remain alert while driving in construction zones.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
