Update: Complete Closures of Eastbound SR 836 at NW 17 Avenue

MIAMI, Fla. – Complete eastbound State Road (SR) 836 closures continue from NW 17 Avenue to I-95 to safely construct a bridge support structure over eastbound SR 836 just west of I-95. The contractor has completed the installation of the exterior formwork and is now working on preparing the structure for the installation of the reinforcing steel. Upcoming closures are noted below:

- Friday, June 7, from 11:30 p.m. until 7:30 a.m. on Saturday, June 8
- Monday, June 10 through Wednesday, June 12, nightly between 10 p.m. and 5:30 a.m.
- Friday, June 14, from 11 p.m. until 7 a.m. on Saturday, June 15

The detours noted below and shown [HERE](#) will be in place to guide drivers around the work area. Drivers on eastbound SR 836 will:

- Exit at NW 17 Avenue, then continue south across NW 7 Street
- Turn left at SW 1 Street and continue east
- Turn right at South Miami Avenue
- Turn right to access the ramp to I-95 **north** or **south**
- Drivers going to **Biscayne Boulevard and the MacArthur Causeway** can continue east on SW 1 Street and turn left on Biscayne Boulevard to connect with the MacArthur Causeway entrance ramp at NE 11 Terrace

Drivers on NW 12 Avenue wanting to access eastbound SR 836, I-95, Biscayne Boulevard, and the MacArthur Causeway can continue south on NW 12 Avenue, turn left at SW 1 Street, and follow the detours above.

NOTICE TO MARINERS: FDOT is authorized to temporarily deviate from drawbridge operation regulation 33 CFR 117.305(b) that governs the SW 1 Street Bridge, mile 0.9, and the West Flagler Street Bridge, mile 1.0, across the Miami River. Under this temporary deviation, the SW 1 Street and the West Flagler Street Bridges will open on the hour and half hour between 6 a.m. and 7:30 a.m. on Saturday, June 8.

Updates on additional closures will be provided weekly until the structure has been completed. Drivers can sign up for email updates by visiting the project website at www.I-395miami.com.

Please note that this schedule may change due to weather or other unforeseen conditions. The work is part of the I-395/SR 836/I-95 Design-Build Project that will reconstruct the I-395 corridor from the SR 836/I-395/I-95 (Midtown) Interchange to the MacArthur Causeway Bridge.

For additional information, please contact the Florida Department of Transportation Communications Office at 305-470-5349 or Senior Community Outreach Specialist Oscar Gonzalez at 786-280-0983. Additional project information can be found on the project website, www.I-395miami.com.

For real-time traffic and lane closure information, drivers are encouraged to visit www.fl511.com.

Remember, wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Always be safe and remain alert while driving in construction zones

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
