NW 6 Avenue Full Closure and Detour Begins May 28

Between NW 151 Street and NW 162 Street

MIAMI, Fla. – As part of the ongoing project at the Golden Glades Interchange, contractors for the Florida Department of Transportation (FDOT) will be implementing an around-the-clock full closure and detour of NW 6 Avenue between NW 151 Street and NW 162 Street.

This closure and detour will be in place for several months and will allow crews to perform stormwater drainage improvements. Contractors for Florida Power & Light (FPL) and City of North Miami Beach will also be performing utility work along NW 6 Avenue. Side streets will remain open, and access to properties will be maintained at all times.

Detour information:

Drivers and pedestrians who want to go north onto NW 6 Avenue from the intersection of NW 151 Street and NW 6 Avenue will be detoured as follows:

- Go east along NW 151 Street
- Turn right onto southbound South Biscayne River Drive
- Take the third exit at the roundabout onto northbound North Miami Avenue
- Turn left onto northbound Memorial Highway, which converts to NW 2 Avenue
- Continue north along NW 2 Avenue to NW 165 Street

Drivers and pedestrians who want to go south onto NW 6 Avenue from the intersection of NW 165 Street and NW 2 Avenue will be detoured as follows:

- Continue south along NW 2 Avenue, which converts to Memorial Highway
- Turn right onto southbound North Miami Avenue
- Turn right onto northbound South Biscayne River Drive
- Turn left onto westbound NW 151 Street
- Continue west along NW 151 Street to NW 6 Avenue

Detour map:

To download the detour map, [click here](#). Detours will be clearly marked. Please follow all posted signage and note that this schedule may change due to weather or other unexpected conditions.

For more information, please contact FDOT's Communications Office at (305) 470-5349 or Senior Community Outreach Specialist Sergies Duarte at (305) 588-6399 or at Sergies.Duarte@dot.state.fl.us or visit our website at www.Go-GGI.com.

For real-time traffic and lane closure information, drivers are encouraged to visit www.fl511.com.

Remember, wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Always be safe and remain alert while driving in construction zones.

###

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
