### **SR 5/Overseas Highway Along Channel 5 Bridge Nighttime Lane Closures Begin Sunday, June 30**

**MIAMI, Fla.** – As part of necessary ongoing rehabilitation work, the Florida Department of Transportation (FDOT) will begin repairs along State Road (SR) 5/Overseas Highway along Channel 5 Bridge on Sunday, June 30. Work will be performed between the hours of 8 p.m. and 6 a.m. during the days shown below:

#### **Sunday, June 30 through Wednesday, July 3:**

During these closures, flaggers will periodically stop traffic in one direction to allow traffic from the opposite direction to pass and one lane will remain open to traffic at all times.

#### **Sunday, July 7 through Sunday, August 4:**

During this four-week period, flaggers will periodically stop traffic in one direction to allow traffic from the opposite direction to pass and one lane will remain open to traffic at all times.

Detours will be clearly marked. Please follow all posted signage and note that this schedule may change due to weather or other unexpected conditions.

For more information, please contact FDOT's Communications Office at (305) 470-5349 or Construction Community Outreach Specialist Paulette Summers at (786) 510-3921 or at [Paulette.RidgardSummers@dot.state.fl.us](mailto:Paulette.RidgardSummers@dot.state.fl.us) or visit our website at [www.southflroads.com](http://www.southflroads.com).

For real-time traffic and lane closure information, drivers are encouraged to visit [www.fl511.com](http://www.fl511.com).

Remember, wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Always be safe and remain alert while driving in construction zones.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
