State Road (SR) 112/Arthur Godfrey Road Nighttime Lane Closures Rescheduled for December 22 *At Jefferson Avenue*

MIAMI, Fla. – Due to inclement weather, tonight's roadway striping operation **has been rescheduled for Thursday, December 22 through Friday, December 23, 2022, from 8 p.m. to 6 a.m.** During this operation, one travel lane of SR 112/Arthur Godfrey Road will be closed through the intersection of Jefferson Avenue.

At least one travel lane will remain open at all times in each direction. Drivers might experience delays traveling through the area and should seek alternate routes if possible.

Please use caution when traveling through the construction zone and note that this schedule may change due to bad weather or other unexpected conditions.

This work is part of the ongoing safety project along SR 112/Arthur Godfrey Road from Alton Road to Meridian Avenue. For more information, please contact FDOT's Public Information Office at (305) 470-5349, or Construction Community Outreach Specialist Christian Gonzalez at (786) 837-4884 or csgonzalez@corradino.com. For additional information about this or other FDOT projects, please visit www.fdotmiamidade.com.

Drivers are encouraged to log on to www.fl511.com before they travel to get real-time traffic and lane closure information. The Florida Department of Transportation reminds motorists to always drive safely and avoid distractions while driving. Remember to put down cell phones. Florida law restricts motorists from using a wireless device in a school zone or an active construction zone.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
