

FACT SHEET

SEGMENT 2 CONSTRUCTION

State Road (SR) 25/US 27/Okeechobee Road from east of NW 107 Avenue to east of NW 116 Way/Hialeah Gardens Boulevard
FIN# 423251-5-52-01

PROJECT OVERVIEW

The week of May 2, 2022, the Florida Department of Transportation (FDOT) began the second of four Okeechobee Road Reconstruction Projects. Segment Two extends along SR 25/US 27/Okeechobee Road from east of NW 107 Avenue to east of NW 116 Way/Hialeah Gardens Boulevard, in Miami-Dade County. This segment is anticipated for completion fall of 2025 with a preliminary cost of \$105.6 million. Please note that this schedule could change due to bad weather or other unexpected conditions.

SEGMENT DETAILS

Work to be Performed:

- Constructing a new second level overpass, including four new bridges, on SR 25/US 27/Okeechobee Road to cross NW 116 Way/Hialeah Gardens Boulevard
 - Providing new access ramps to Frontage Road and Hialeah Gardens High School
- Widening the road, Frontage Road, NW South River Drive and reconstructing the NW 116 Way and NW 121 Way bridges over the Miami Canal
- Reconstructing SR 25/US 27/Okeechobee Road with concrete pavement
- Installing new traffic signals at the following intersections:
 - Hialeah Gardens Boulevard and NW 11600 Block
 - SR 25/US 27/Okeechobee Road and NW 116 Way (overpass)
 - Frontage Road and NW 122 Street
 - Frontage Road and NW 98 Avenue
 - Frontage Road and NW 11500 Block
- Adding new bicycle lanes and sidewalks along Frontage Road
- Installing new guardrail, medians and shoulder concrete barrier walls along the road
- Installing a new sewer lift station at NW 121 Way and a new flow meter at NW 116 Way
- Installing a new 102-inch culvert connecting the NW 97 Ave Canal to the Miami Canal
- Relocating the existing 24-inch sewer line between NW South River Drive and Frontage Road
- Upgrading roadway lighting with LED luminaires
- Upgrading traffic and pedestrian signage, pavement markings, signalization, and lighting
- Installing new Intelligent Transportation System (ITS)

Affected Municipalities:

- Miami-Dade County
- City of Hialeah Gardens
- Town of Medley

LANE CLOSURE INFORMATION

Travel lanes may be closed only during nonpeak hours and on nonevent days. Nonpeak hours are:

- 9 a.m. to 3:30 p.m., weekdays and weekends
- 9 p.m. to 5:30 a.m., Sunday through Thursday nights
- 11 p.m. to 7 a.m., Friday and Saturday nights

Lane closure information will be posted weekly on the project's website, www.southflroads.com/okeechobee.

Construction activities will be completed in three phases to minimize impacts.

- Phase 1: Work along southbound and northbound NW 116 Way/Hialeah Gardens Boulevard, Frontage Road and NW S River Drive
- Phase 2: Construction of the second level overpass including four new bridges and access ramps
- Phase 3: Installation of concrete pavement, repaving and restriping and pavement markings on the roadway

SEGMENT 2 CONSTRUCTION

State Road (SR) 25/US 27/Okeechobee Road from east of
NW 107 Avenue to east of NW 116 Way/Hialeah Gardens Boulevard
FIN# 423251-5-52-01

FDOT has begun the reconstruction projects of the SR 25/US 27/Okeechobee Road from the Broward County Line to SR 826/Palmetto Expressway. This 10-mile corridor is divided into six separate project segments. Two segments are currently underway and managed by the Florida's Turnpike Enterprise; four remaining project segments will be managed by FDOT. All work is scheduled to be completed by 2032.

These efforts are part of FDOT's mission to improve safety, enhance mobility along this Strategic Intermodal Systems (SIS) corridor, and inspire innovative transportation solutions, connecting commuters throughout Miami-Dade County.

SAFETY TIPS

For your safety and the safety of others, please use caution when driving, walking or biking around any construction zone.

- Allow extra time to reach your destination
- Obey all posted signs and speed limits
