A NEW PROJECT BEGAN IN YOUR AREA
State Road (SR) 90/US 41/SW 8 Street/Tamiami Trail
Next Steps Phase 2 Project

FIN# 444444-1/2-52-01
Construction started: spring 2021

OVERVIEW

The Florida Department of Transportation (FDOT) in coordination with the National Park Service (NPS) began construction of the remaining 6.7 miles of the Tamiami Trail Next Steps Phase 2 Project the week of April 26, 2021. This project will allow for an additional 75 to 80 billion gallons of water a year to flow south into the Everglades National Park and Florida Bay.

WORK TO BE PERFORMED

The project includes building six new bridges, seven improved culverts and elevating sections of Tamiami Trail roadway from east of the ValuJet 592 Memorial structure S-333 (MP 13.85) to 1.5 miles west of Krome Avenue/east of structure S-334 (MP 24.42).

CURRENT PROJECT COST

\$79.2 million

PROJECT SCHEDULE

The design phase for the project started in October 2020. Construction started in April 2021. The Tamiami Trail Next Steps Phase 2 Project is expected to be completed by fall 2026.

AFFECTED MUNICIPALITIES

Western Miami-Dade County

HELPFUL TIPS

- Allow extra time to reach your destination
- Obey all posted signs and speed limits

ALWAYS PUT SAFETY FIRST

For your safety and the safety of others, please use caution when driving, walking or biking around any construction zone. Wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. The department takes steps to reduce construction effects, but you might experience the following around the work site.

- Traffic delays during non-peak travel times
- Increased dust and noise
- Workers and equipment moving around the area

Please note that this schedule could change due to bad weather or other unexpected conditions.
