

# CONSTRUCTION PROJECT FACT SHEET

FLORIDA DEPARTMENT OF TRANSPORTATION

## Wrong-Way Detection System Installation At 15 ramps throughout Miami-Dade County

Project Identification Number: 446947-3-52-01

### FDOT COMPASS

FDOT is committed to ensuring that the state's infrastructure serves residents, businesses, and visitors, to meet their needs now and in the future. Key areas include safety, resiliency, supply chain, technology, and workforce development. The following benefits are included in this project:

#### **COMMUNITY**

- Enhancing safety and mobility for all Miami-Dade County residents and visitors

#### **SAFETY**

- Installing Wrong-Way Detection Systems at various off-ramp locations along SR 826/Palmetto Expressway, SR 9A/I-95, SR 93/I-75, SR 112/I-195/Julia Tuttle Causeway, and SR 856/William Lehman Causeway
- Installing reflective raised pavement markings at various locations to enhance visibility
- Reducing accidents, injuries, and fatalities on the State Highway System

#### **RESILIENCY**

- Repaving and restriping the expressway off-ramps to preserve the service life of the road

#### **TECHNOLOGY**

- Installing Wrong-Way Driving Intelligent Transportation Systems (ITS) which include:
  - A camera and computer system that detect vehicles traveling in the wrong direction
  - Enhanced wrong-way signage with Light-Emitting Diodes (LED) to alert drivers in real time
  - A notification system that alerts the SunGuide Transportation Management Center (TMC) when a wrong-way vehicle is detected to inform authorities

#### **WORKFORCE DEVELOPMENT**

- This project creates opportunities for contractors, which results in positive economic benefits for the workers and the community

### LANE CLOSURE INFORMATION

Work will be done in phases to reduce the effects of construction on the community. Travel lanes and sidewalks will be closed during non-peak hours on non-event days. Non-peak hours are:

- 9 p.m. to 5:30 a.m., Sunday to Thursday nights
- 11 p.m. to 7 a.m., Friday and Saturday nights

Access to businesses and residences will be maintained. Lane closure information will be posted weekly on the department's website, [www.southflroads.com](http://www.southflroads.com).

### WHAT TO EXPECT

Work will be done in phases to reduce the effects to the community. Temporary lane closures may affect traffic during non-peak hours and non-event days. All detours will be established with clear signage. Access to adjacent properties will be maintained.

#### SCHEDULE

April 2025 - Early 2027

#### CURRENT CONSTRUCTION COST

\$4.9 million

#### PROJECT AREAS

Miami-Dade County

### ALWAYS PUT SAFETY FIRST

For your safety and the safety of others, please use caution when driving, walking or biking around any construction zone. For real-time traffic information, visit: [www.fl511.com](http://www.fl511.com).
