

# FACT SHEET

## A NEW ROADWAY PROJECT HAS BEGUN IN YOUR AREA

State Road (SR) 997/Krome Avenue  
From MP 8.151 to MP 10.935

FIN# 249615-8-52-01  
Began: June 2015

### OVERVIEW

The Florida Department of Transportation (FDOT) began a roadway construction project the week of June 15, 2015. The project limits extend along SR 997/Krome Avenue from MP 8.151 to MP 10.935 in Miami-Dade County.

### WORK TO BE PERFORMED

- Widening the road from two lanes to four lanes
- Reconstructing roadway and shoulders
- Installing a 40-foot median
- Installing guardrail
- Installing new drainage system
- Installing new lighting
- Installing plastic poles throughout the corridor between northbound and southbound travel lanes to increase awareness and discourage passing

### AFFECTED MUNICIPALITIES

Unincorporated Miami-Dade County

### ESTIMATED CONSTRUCTION COST

\$17.8 million

### PROJECT SCHEDULE

June 2015 - December 2016

### LANE CLOSURE AND DETOUR INFORMATION

To do this work safely, it will be necessary to close travel lanes at times. Work and lane closures will occur during non-peak hours on non-event days, nights and weekends from:

- 9 a.m. to 3:30 p.m., weekdays and weekends
- 9 p.m. to 5:30 a.m., Sunday through Thursday
- 11 p.m. to 7 a.m., Friday and Saturday

### HELPFUL TIPS

- Allow extra time to reach your destination
- Obey all posted signs and speed limits

### ALWAYS PUT SAFETY FIRST

For your safety and the safety of others, please use caution when driving, walking or biking around any construction zone. Wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. The Department takes steps to reduce construction effects, but you might experience the following around the work site:

- Travel lane closures and detours
- Increased dust and noise
- Workers and equipment moving around the area

***Please note that this schedule could change due to bad weather or other unexpected conditions.***
