

FACT SHEET

A NEW ROADWAY PROJECT BEGAN IN YOUR AREA
State Road (SR) 997/Krome Avenue from SR 94/Kendall Drive/SW 88 Street to north of SR 90/Tamiami Trail/SW 8 Street

FIN# 249614-3-52-01
Began: February 2015

OVERVIEW

The Florida Department of Transportation (FDOT) began a roadway construction project during the week of February 23, 2015, on SR 997/Krome Avenue From SR 94/Kendall Drive/SW 88 Street to north of SR 90/Tamiami Trail/SW 8 Street.

WORK TO BE PERFORMED

SR 997/Krome Avenue

- Widening the road from two lanes to four lanes
- Installing a 40-foot median
- Installing new drainage system
- Rebuilding roadway and shoulders

SR 94/Kendall Drive/SW 88 Street Intersection

- Realigning the intersection
- Rebuilding roadway and shoulders
- Upgrading signage, lighting and traffic signals

SR 90/Tamiami Trail/SW 8 Street Intersection

- Realigning the intersection
- Widening the bridge over C-4 Tamiami Canal
- Upgrading signage, lighting and traffic signals

Plastic poles will be installed between northbound and southbound traffic to increase awareness and discourage passing. A new multi-use trail for walking and biking will be constructed and guardrail installed throughout the corridor.

PROJECT SCHEDULE

February 2015 — December 2017

ESTIMATED CONSTRUCTION COST

\$59 million

AFFECTED MUNICIPALITIES

Unincorporated Miami-Dade County

LANE CLOSURE AND DETOUR INFORMATION

To do this work safely, it will be necessary to close travel lanes at times. Work and lane closures will occur during non-peak hours on non-event days, nights and weekends from:

- 9 p.m. to 5:30 a.m., Sunday through Thursday
- 11 p.m. to 7 a.m., Friday and Saturday

HELPFUL TIPS

- Allow extra time to reach your destination
- Obey all posted signs and speed limits

ALWAYS PUT SAFETY FIRST

For your safety and the safety of others, please use caution when driving, walking or biking around any construction zone. Wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. The Department takes steps to reduce construction effects, but you might experience the following around the work site:

- Travel lane closures and detours
- Increased dust and noise
- Workers and equipment moving around the area

Please note that this schedule could change due to bad weather or other unexpected conditions.
