CONSTRUCTION ALERT

WEDNESDAY, FEBRUARY 19, 2025

*Drainage work at SR 934/W/E 21 Street and E 3 Avenue
Underground work at the northeast, southeast, southwest and northwest corners of the
intersection at Palm Avenue and SR 934/W/E 21 Street.*

Please be advised that construction crews will perform drainage work at E 3 Avenue and SR 934/E 21 Street and underground work on the northeast, southeast, southwest and northwest corners of the intersection at Palm Avenue and SR 934/E 21 Street

Tonight, Wednesday, February 19 from 8 p.m. to 6:30 a.m.

This work may continue into the morning and could be extended due to unforeseen circumstances.

The following closures will take place to perform these activities safely:

A single lane on eastbound SR 934/W/E 21 Street from west of Palm Avenue to just east of E 3 Avenue will be closed to perform drainage work. One lane will remain open for drivers at all times.

Northeast Corner: The right turn lane from westbound E 21 Street to northbound Palm Avenue, as well as a single right lane on northbound Palm Avenue will be closed.

Southeast Corner: The right turn lane from northbound Palm Avenue to eastbound E 21 Street, as well as a single right lane on eastbound E 21 Street adjacent to Orale Wey Restaurant, 2093 Palm Avenue, will be closed.

Southwest Corner: The right turn lane from eastbound W 21 Street to southbound Palm Avenue, as well as a single right lane on southbound Palm Avenue, adjacent to Marathon Gas Station, 2090 Palm Avenue, will be closed.

Northwest Corner: The right turn lane from southbound Palm Avenue to westbound W 21 Street, as well as a single right lane on westbound W 21 Street, will be closed.

Pedestrian and property access will always be maintained during construction. Be advised that parking will be temporarily eliminated where active work is taking place along the project limits

Please be aware that noise and vibration are expected during this work. We apologize for the inconvenience that this may cause. This schedule may change due to weather or unforeseen conditions. If you have any questions, please contact
